2. POLICY & COMMITMENT

CSG Fire & Security Ltd are committed to Environmental Protection to the highest practicable standards. By minimising pollution at source, we maintain a safe and healthy environment for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

CSG Fire & Security Ltd Environmental Policy therefore, is to:

- Continually improve environmental performance with respect of minimising any adverse effects on the atmosphere, water or land
- Minimise our waste and reuse or recycle as much of it as is possible
- Conserve resources by reducing waste and minimising consumption of raw materials, energy and water and processes in order to conserve supplies and minimise the consumption of natural resources
- Committed to recycling and safe disposal to reduce the effects on the environment
- Ensure that we comply with all relevant environmental protection legislation
- To assess the risk to health issues and the environment, on a regular basis
- Integrate the consideration of environmental concerns and impacts into our decision making and activities
- Communicate information of activities that effect health and the environment, available to employees, customers, public and any statutory authorities and encourage them to support it
- We recognise that the protection of the environment is a responsibility to all and this policy is communicated to all personnel. We also provide suitable information and training in order to develop environmental awareness
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner
- Encourage any ways of improving environmental protection and pollution control
- Where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes
- Review and update this policy in line with any significant change in legislation that affects our business activities
